Image, Identity, and Ideology is part of the larger Punk area at the 32nd annual SWTX ACA/PCAconference.

This panel will delve into the questions surrounding:

- * the Emergence of punk--
Who are the pioneers and forerunners??
What factors lead to its creation
(economic, political, historical)
- * Punk Philosophy
- * The Rhetoric of Punk
- * Anarchism
- * Religion and Punk
- * The Politics of Punk
- * The Psychology of Punk

I am particularly interested in papers that discuss Punk from a Lacanian or Deleuzian angle, but really any paper that discuss the deeper meaning of punk will be considered.
